

Welcome to Neocampus

**Empowering Healthcare
Professionals Through
Innovation and Education**

Introducing Neocampus

Neopharm Medical Supplies
proudly presents Neocampus,
an innovative educational facility.

Our vision: to promote excellence
in healthcare through advanced
technology and unique training
programs.

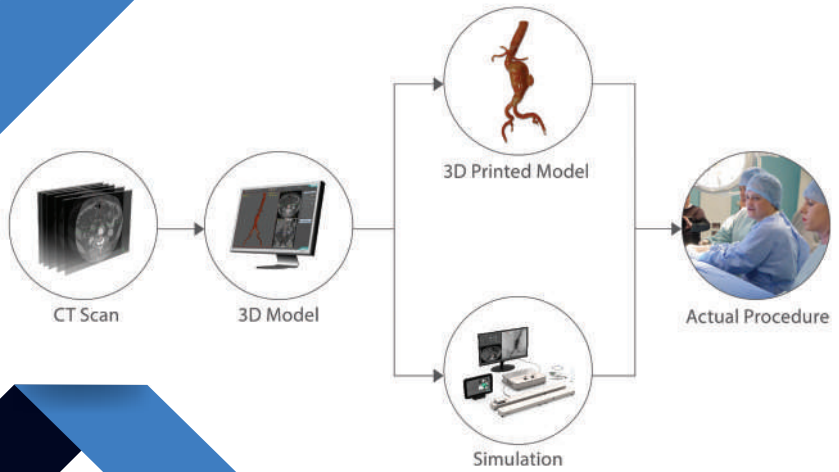

Introducing the ANGIO Mentor

Introducing the ANGIO Mentor

An unparalleled cardiovascular intervention training simulator, providing a comprehensive and safe environment for multi-level hands-on practice of cardiovascular procedures.

- **Simulation Based on Real Data:** Create real operation simulation using patient CT scans.
- **Extensive Module Library:**
 - Endo Vascular Basic Skills
 - Cardio Basic Skills
 - EVAR Module
 - TEVAR Module
 - Advanced TEVAR Module
 - TBE Module
 - IBE Module
 - Peripheral Module - VSX/VBX
 - ASD/PFO Module
 - Cerebral Intervention Module
 - Acute Ischemic Stroke Module

surgicalscience

Our Comprehensive Cardiovascular Training Program Highlights:

Mastery of Cardiovascular Techniques and Procedures:

Gain proficiency in a wide range of cardiovascular interventions.

Tailored Training:

Flexible schedules and customized programs to match participants levels and skills, from basic to complex interventions, including fluoroscopic and ultrasound guidance.

Teamwork Enhancement: Strengthen clinical skills and teamwork through hands-on learning experiences.

Safe Learning Environment: Real-life scenario simulations to ensure a safe and practical learning space.

Growth Opportunities:

Access to advanced resources for professional development and growth.

Cutting-Edge Simulator:

The custom-made ANGIO Mentor, aligned with the latest medical devices, has proven effectiveness in enhancing clinical skills and confidence, supported by over 30 studies.
